The AGM of the Association was held on 22 March. A short period of silence was held in remembrance of those friends, colleagues and members who had crossed the bar during the past year in particular Lt Cdr Pat Saunders, a previous chairman of the EC. The meeting received reports from the Chairman, Treasurer and Auditor and approved the appointment of the latter who had agreed to continue in that role for the present year. In the absence of volunteers to join it, the present EC was re-elected to serve for a further year.

The President, Vice Admiral Sir Peter Woodhead thanked the Committee for their work throughout the year.

A SANO visit to the Port of Shoreham took place on 16 April.

Following on from his talk to SANO in November 2024, Brian Rousell offered a guided tour to those SANO members who might be interested in the inner workings of Shoreham Harbour and for which 11 members turned out. Although gloriously sunny it was also very windy but this did not detract from the sights on display - locks working, ships (large and small) movements, dry dock preparation for the next incumbent and a very tasty lunch afterward in the Port Kitchen.
